

Diva (Original English Version)

Dana International

She is all
You'll ever dream to find
On her stage
She sings her story
Pain and hurt
Will steal her heart alight
Like a queen
In all her glory And when she cries
Diva is an angel
When she laughs
She's a devil
She is all beauty and love Viva Maria
Viva Victoria
Aphrodite
Viva le Diva
Viva Victoria
Cleopatra Silent tears
Drop from these eyes tonight
Tears of prayer
For all those aching hearts And when she cries
Diva is an angel
When she laughs
She's a devil
She is all beauty and love Viva Maria
Viva Victoria
Aphrodite
Viva le Diva
Viva Victoria
Cleopatra
