

99 Days (Live, 1973)

Jo Jo Gunne

Tucson, Vicksburg
Midnight flight to Pittsburgh
(Rockin' and rollin' and my suitcase was stolen)
Two shows, everything goes
Oh oh oh oh oh oh
(Slippin' and slidin', I'm all ripped up and writhin') Well, I should have known, known
99 days and my body is wasted
I should have known, known
99 days and the pull gets stronger, oh
99 days, I can't take no longer Salt Lake, Saint Paul
Punch out at the Mets Hall
(Rockin' and rollin', my abs keep exploding)
French fries, hair pies
Oh oh oh oh oh oh
(Jumpin' and jivin' and the checks ain't arrivin') Well, I should have known, known
99 days and there's no one smilin'
I should have known, known
99 days and the push gets harder, oh
99 days, I can't go no farther
