If I Ever Lose This Heaven

Average White Band

If you're foolin', only foolin'
All I ask is, why?
And if you're playin', all I'm sayin' is
Feelings sure can lieAnd if you're lyin', keep on lyin'
Don't tell the truth, don't you dare
You can't drop me, baby, you still got me
After takin' me way up thereWay up there, yeahOhh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the sameOhh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the sameWhen you're kind, ooh, extra kind
Then suddenly, oh baby, get crossed
You're so moody, but you really get to me
And I can't turn you offYou're fascinating, much more fascinating
Than the dark side of the moon
You're so exciting, hey babe, I'm re-writing
This book of love called 'You'Yes it's 'You'Ohh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the sameOhh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the sameOhh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never, never, never, neverOhh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the sameOhh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
