New Start (Remix)

Elevation Youth

Wondering and all alone, my heart was lost
In need of a new Direction
But Love came and picked me up, out of the dust
And gave me a new BeginningYou've given me a new start, taken all the old
Jesus your the hope thats burning in my soul
Forever we are free now living in your love
You gave me a new start, created a new heart
You're never letting go, oh oh ohThere's a fire running in my bones, Your spirit's alive
Its given me new direction
Now everything I have is yours, Take my life
And make me a new creationThe old has gone the new has come
My dark is light, the chains are now gone
Never looking back your grace has won my heartYou've given me a new start, taken all the old
Jesus your the hope thats burning in my soul
Forever we are free now living in your love
You gave me a new start, created a new heart
You're never letting go, oh oh ohThe old has gone the new has come
My dark is light, the chains are now gone
Never looking back your grace has won my heartThe old has gone the new has come
My dark is light, the chains are now gone
Never looking back your grace has won my heartYou've given me a new start, taken all the old
Jesus your the hope thats burning in my soul
Forever we are free now living in your love
You gave me a new start, created a new heart
You're never letting go, oh oh oh
