

Come a Rain

[Kevin Welch](#)

Jesus was a pagan, Woody was a punk
Gandhi was a soldier, Hendrix was a monk
Leonardo was an alien, Plato was a scream
Vincent was a flower child, Elvis was a dream
Kurosawa was a samurai, Achilles was a gimp
Django was a miracle, Rasputin was a pimp
Piaf was a siren, Callas was the sea
Martin was a king on earth
in all his majesty Come a rain, come a rain now Confucius was a joker, Kafka was a spook
Rumi was a homey, Bukowski was a duke
Fellini was a scientist, Dante was a thug
Buddha was a cowboy, Amelia was a stud
Einstein was a psychic, Stalin was a hick
Marilyn was Marilyn, Picasso was a trip
Marley was a preacher, Columbus was a dope
Houdini was a rascal, Hank Williams was a ghost
Come a rain, come a rain now
