The Distance

Number One Fan

What would you do if I came through?
I love the distance, it's that you cant take it.
How should I feel if you miss the old days?
The look on your face said everything's changing so fast.Call anytime you need, I have been waiting alone on the road.
Call anytime you need, I have been waiting, I will be waiting.What would you do if this fell through?
I love the distance, it's that you cant take it.
How should I feel if you miss the old days?
The look on your face said everything's changing so fast.Call anytime you need, I have been waiting alone on the road.
Call anytime you need, I have been waiting, I will be waiting.Call anytime you need, I have been waiting alone on the road.
(Call anytime, I'll be waiting.)
Call anytime you need, I have been waiting, I will be waiting.
(Call anytime, I'll be waiting.)
(Call anytime, I'll be waiting.)
I will be waiting.
(Call anytime, I'll be waiting.)
