

# Extraordinary Machine (Jon Brion Version)

Fiona Apple

I certainly haven't been shopping for any new shoes  
And I certainly haven't been spreading myself around  
I still only travel by foot and by foot it's a slow climb  
But I'm good at being uncomfortable so I can't stop changing all the time I noticed that my opponent is always  
on the go  
And won't go slow so as not to focus and I notice  
He'll hitch a ride with any guide as long as they go fast from whence he came  
But he's no good at being uncomfortable so he can't stop staying exactly the same If there was a better way to go  
then it would find me  
I can't help it the road just rolls out behind me  
Be kind to me or treat me mean  
I'll make the most of it I'm an extraordinary machine I seem to you to seek a new disaster every day  
You deem me due to clean my view and be at peace and lay  
I mean to prove I mean to move in my own way  
And say I've been getting along for long before you came into the play I am the baby of the family  
It happens so everybody cares  
And wears the sheep's clothes while they chaperone  
Curious you're looking down your nose at me while you appease  
Courteous to try and help but let me set your mind at ease If there was a better way to go then it would find me  
I can't help it the road just rolls out behind me  
Be kind to me or treat me mean  
I'll make the most of it I'm an extraordinary machine Do I so worry you  
No need to hurry to my side, it's very kind  
But it's to no avail  
I don't want the pill  
I promise you everything will be just fine If there was a better way to go then it would find me  
I can't help it the road just rolls out behind me  
Be kind to me or treat me mean  
I'll make the most of it I'm an extraordinary machine If there was a better way to go then it would find me  
I can't help it the road just rolls out behind me  
Be kind to me or treat me mean  
I'll make the most of it I'm an extraordinary machine
