

Whinin' Boy Moan

Van Morrison

Drop that coin right into the slot
Get it whether you're ready or not
Let the whinin' boy moan
Let the whinin' boy moan
Let the whinin' boy moan
If you don't know how to do it yourself Well they call him Mr. Jellyroll
Just the way he rolls his dough
Let the whinin' boy moan
Let the whinin' boy moan
Let the whinin' boy moan
If you don't know how to do it yourself Well well well well, let the whinin' boy moan
If you don't know how to do it yourself
Let the whinin' boy moan
If you don't know how to do it yourself
'Cos he can do it better, better than anyone else
Whine, whine, whine, whine All the winos down on Market Street
Roll on over to old North Beach
Let the whinin' boy moan
Let the whinin' boy moan
Let the whinin' boy moan
If you don't know how to do it yourself Well, he gonna sing and play for you
Check what he's s'posed to do
Let the whinin' boy moan
Let the whinin' boy moan
Let the whinin' boy moan
If you don't know how to do it yourself Whine, whine, whine
Let the whinin' boy moan
If you don't know how to do it yourself
Let the whinin' boy moan
If you don't know how to do it yourself
'Cos he can do it better, better than anyone else
