

# Rotten Teeth (feat. Kate Nash)

## HOLYCHILD

[Verse 1]

I want to hurt the skin on my lips  
I want to know the feeling of bliss  
I want to fall and never be found  
Don't you know that nothing lasts forever?  
I want to be as bright as the sun  
And burn your eyes as soon as you're done  
I want to hurt the skin on my lips  
You're cuter when you say no no never [Chorus]  
I know I can never be the girl I wanna be  
No no I'm never free

It's slow, the way you talk to me between your rotten teeth

Please please just talk to me [Verse 2]  
Baby with me I'll make you feel free  
Drop on my knees and give you the peace  
Tell me you won't forget about me  
Wanna live inside your head forever  
Value the lies I've always been told  
Lucky for me I haven't got old  
I don't believe that anything's gold  
Never gonna find the happy treasure [Chorus]  
I know I can never be the girl I wanna be  
No no I'm never free

It's slow, the way you talk to me between your rotten teeth

Please please just talk to me [Bridge]  
Do we eat or just starve ourselves tonight?  
Do we eat or just starve ourselves tonight?  
Do we eat or just stop the pain?  
Stop the game? stop the fame? stop the fame?  
Do we eat or just starve ourselves tonight?  
Do we eat or just starve ourselves tonight?  
Do we eat or just stop the game  
Stop the game, stop the fame, stop the pain?  
Do we eat or just starve ourselves tonight?  
Do we eat or just starve ourselves tonight?  
Do we eat or just stop the pain  
Stop the game, stop the fame?  
Do we eat or just starve ourselves tonight?  
Do we eat or just starve ourselves tonight?

Do we eat or just stop the pain, stop the game, stop the fame[Chorus]

I know I can never be the girl I wanna be

No no I'm never free

It's slow, the way you talk to me between your rotten teeth

Please please just talk to me

I know I can never be the girl I wanna be

No no I'm never free

It's slow, the way you talk to me between your rotten teeth

Please please just talk to me[Outro]

I know I can never be the girl I want

I know I can never be the girl I want

I know I can never be the girl I want

I know I can never be the girl I want
