

# Where You At?

Myra

I can remember your words  
And I can feel how it burned to know  
That you were only playin  
How I still kept on tryin  
I tryed to forget those days alone  
For you I would be waiting  
I know you think that I still cry (No No No)  
I know you think that it was my mistake (No No No)  
(Uh uh uh uh uh uh (No no no no no no-aahh)  
Sometimes I wonder if I could (no no no)  
Sometimes I wonder if I would forgive (no no no)  
uh uh uh uh uh uh  
What you say, where you at?  
Now your new girl's up and left  
You give me sweet sweet talkin, just like that  
Now what you say, where you at?  
Thinking you can get me back  
So close your wide eyes baby here's the facts  
Oh baby where you at?  
Last night you had a new game  
You came by to say you'll change for me  
So you must think I'm crazy  
Now you can go on dreamin  
Because I won't ever breathe your name  
No ifs or ands about it  
I know you think that I still cry (No No No)  
I know you think that it was my mistake (No No No)  
(Uh uh uh uh uh uh (No no no no no no-aahh)  
Sometimes I wonder if I could (no no no)  
Sometimes I wonder if I could forgive (no no no)  
uh uh uh uh uh uh  
What you say, where you at?  
Now your new girl's up and left  
You give me sweet sweet talkin, just like that  
Now what you say, where you at?  
Thinking you can get me back  
So close your wide eyes baby here's the facts  
Oh baby where you at?

Yeah, I wonder what  
I wonder what you say to me  
I wonder where you at?  
I know you think that I still cry (No No No)  
I know you think that it was my mistake (No No No)  
(Uh uh uh uh uh uh (No no no no no no-aahh)  
Sometimes I wonder if I could (no no no)  
Sometimes I wonder if I could forgive (no no no)  
uh uh uh uh uh uh  
What you say, where you at?  
Now your new 's up and left  
You give me sweet sweet talkin, just like that  
Now what you say, where you at?  
Thinking you can get me back  
So close your wide eyes baby here's the facts  
Oh baby where you at?  
What you say, where you at?  
Now your new girl's up and left  
You give me sweet sweet talkin, just like that  
Now what you say, where you at?  
Thinking you can get me back  
So close your wide eyes baby here's the facts  
Oh baby where you at?  
I know you think that I still cry (No No No)  
I know you think that it was my mistake (No No No)  
(Uh uh uh uh uh uh (No no no no no no-aahh)  
Sometimes I wonder if I could (no no no)  
Sometimes I wonder if I could forgive (no no no)  
uh uh uh uh uh uh  
What you say, where you at?  
Now your new girl's up and left  
You give me sweet sweet talkin, just like that  
Now what you say, where you at?  
Thinking you can get me back  
So close your wide eyes baby here's the facts  
Oh baby where you at?
