The Savage Beat

The Dictators

Banging rocks together
Howling at the moon
Brontosaurus burgers, crank it to eleven
On the barbecue and light the barbecueWe're gonna go crazy
(We're gonna go crazy)
We're gonna go wild
(We're gonna go)It's a savage beat
It's a primitive sound
It's a savage beat
It's a primitive soundWailin' at the tar pit
Rockin' to the stones
Bo Diddley's on the stereo
Bring it to JeromeWe're gonna go crazy
(We're gonna go crazy)
We're gonna go wild
(We're gonna go)It's a savage beat
It's a primitive sound
It's a savage beat
It's a primitive soundIt's a savage beat
It's a primitive sound
It's a savage beat
It's a primitivePrimitive, primitive, primitive sound
It's a primitive sound
It's a primitive sound
It's a primitive sound
