

The Gank

Nelly

Advisory - the following lyrics contain explicit language:

Come on
WooShit! Lord have mercy I've never felt this way before
And she's all that I need and more
Her hips and waist belong to me
It often makes me write on my dreams
If I knew there was only nine
She's still might be around because I (I) can't go on
Oh no
I tell you what am I gonna do now (hey)
Without her
My life just won't (it won't) be the same
I tell you what am I gonna do now (hey)
Without
WooShit! Lord have mercy I never thought that I would be
So caught up I wouldn't see
Just who would go to war for me
And take out two or three so easily
I give up everything to see if I found you
(Baby girl)
'Cause it don't mean shit without you 'cause ('cause I) I (I) can't go on
Oh no
I tell you what am I
What am I gonna do now (Hey)
Without Her (without her)
My life just won't (it won't) be the same
What am I gonna do now (without) Shit! Lord have Mercy I gave her everything she ever needed
That's why it shocked me when she said she was leavin'
I wanted to find out what was going on
I'm thinkin to myself man something wrong
And then smokin' one day it hit me kinda fast
That I needed to go check my stash 'cause I 'Cause I ('cause I)
I can't go on (I can't go on)

Oh no
I tell you what am I gonna
What am I gonna do now
Without her (without her)
My life just won't
It won't be the same
What am I gonna do now
Because I ('cause I)
I can't go on (I can't go on)
Oh no, I tell you what am I gonna do now
What am I gonna do now
Without her (without her)
My life just won't
It won't be the same
What am I gonna do now (Hey)
Without wooLord have mercyOoh hooLord have mercy
