

# My City (feat. Dallas Blocker & Yo Gotti)

Paul Wall

[Chorus]

I believe I can fly fly fly

I believe I can fly fly fly

I'm so high

I'm so high

I'm so high

I'm so high

I believe I can fly fly fly

I believe I can fly fly fly

I'm so high

I'm so high

I'm so high

I'm so high

I Believe I can fly Aye Aye Aye

Bitch I'm sittin' so high, I believe I can fly

The coupe looks delicious the rims are waving bye

? long like Diddy, I put on for my city

Cologne Kush and Henny, I'm gone in that Hemi

I'm gold but you don't hear me, four to the dome if you can hear me

They say I need a pull-up when I pull up I'm the shit man

When I grow up I wanna be like t-pain a hit man

But do yourself a favor partna don't be talkin' shit man

Your broad done up and broke your heart my whole squad hit man

Hold up I see dead people, its just the dead white guys on my bread people [Chorus] I'm high as the moon and

I'm flyer than a mosquito

Stacking my chips I got a bank full of Doritos

I'm too cool for school so I'm teaching a class

Chieffin' on that purple rain partna puff puff pass

See im higher than the price of gas gone off vanilla cream

Rolling off of mac Dre leaning like a triple beam

I got my wrist froze up like computer screens

So fresh so clean exhale sticky green

I got the top steady droppin' like record sales

Paint changing colors like Tyra bank's finger nails

Choose the fast life I'm the flashy type

Diamonds in my mouth sparkle look like sprite

I'm so high [Chorus] I believe I can lean spite and codeine

Someones sleeping on the scene

That's a hell of a dream I'm a hell of a guy

That's a hell of a blunt fire it up lets get high  
You can call me g5 cause I be in the clouds  
Somewhere in the club with my clothes smelling loud  
And never will I smile cuz I be biting down  
Rollin off a p probably muggin' with a frown  
But naw ain't nothing wrong how could he be on rich  
Bitch looked at my whip bitch looked at my wrist  
My wrist is tricked in ice my neck is dripped in ice  
Bitch look at my life don't you wanna be my wife?  
Would you like to be my girl? dont you wanna change your life?  
I can change your life grab the credit card and swipe, like see? Fly fly fly [Chorus]
