Red Light - Green Light

Limp Bizkit

Ladies and gentlemen, Limp Bizkit and Snoop Dogg
Freak baby, freak freak baby (x2)

[Chorus]
Red light, green light (x5)
You ready to roll?
Tell me when you're ready to go
Tell me when you're ready to roll
Red light, green light (x5)
You ready to roll?
Tell me when you're ready to go
Tell me when you're ready to roll

I got the keys baby, put your mind at ease baby
Go playa, layin' the cheese baby
I know you bitin', bitin' my steez baby
But I came, came to please baby
Don't wait (wait), lay the greeze baby
Don't flake (flake), shake the knees baby
Your fella's mad at me baby, oh well, enemies baby
Who's braggin' they raggin' on me baby?
Who's breath, is draggin' on me baby?
Who's steps, through all agony baby?
Who's checks, are bigger than me baby?
Who thinks, before it goes down baby?
Who rocks, in every town baby?
I don't know, If it ain't me
Must be a clone on this microphone baby

[Chorus]
Red light, green light (x5)
You ready to roll?
Tell me when you're ready to go
Tell me when you're ready to roll
Red light, green light (x5)
You ready to roll?
Tell me when you're ready to go
Tell me when you're ready to roll

Jump in the who ride, slide to the rhythm of

Snoop D.o. double G nigga from the dub
I represent it to the fullest everywhere I go
Guaranteed to bust a ho, yeah I'm so original
I don't have to, I told you from the get go
I like to lay low with my niggas blowin' endo
We like to drink, talk shit, and spit at bitches
And that's the way we do it, sometimes we hittin' switches
In the low-rider slidin' to the hood and back
It's snoop dogg in the motherfuckin' cadillac
They call it Snoop Deville for real
I get the money and I never ever pop no pills
I used to pop'em, I'm lyin' to these motherfuckers now
I used to do all kind of shit when I was wild
They used to call me Lil Bow Wow, now I'm Big Bow Wow
In this motherfucka bustin' a freestyle
Snoop Dogg is in the place to see
Do it with my nephew Freddy D.
Ooh wee, in the place to see
Snoop D.o. double G from the D.P.G.C.

[Chorus]
Red light, green light (x5)
You ready to roll?
Tell me when you're ready to go
Tell me when you're ready to roll
Red light, green light (x5)
You ready to roll?
Tell me when you're ready to go
Tell me when you're ready to roll

Freak baby, freak freak baby (x3)
Tell me when you're ready to go
Tell me when you're ready to roll
Freak baby, freak freak baby (x3)
Tell me when you're ready to go
Tell me when you're ready to roll

Look who's, talkin' it up baby
One more, chalkin' it up baby
Star maps, stalkin' it up baby
My dogs, barkin' it up baby
Who'd a thought I'd be layin it down baby?
Who'd a thought I'd be turnin' your frown baby?
Never know about things these days baby

'til your cell phone rings and it's me baby

[Chorus]
Red light, green light (x5)
You ready to roll?
Tell me when you're ready to go
Tell me when you're ready to roll
Red light, green light (x5)
You ready to roll?
Tell me when you're ready to go
Tell me when you're ready to roll

Freak baby, freak freak baby (x3)
Tell me when you're ready to go
Tell me when you're ready to roll
Freak baby, freak freak baby (x3)
Tell me when you're ready to go
Tell me when you're ready to roll
Freak baby, freak freak baby (x3)
Tell me when you're ready to go
