

# Me Roots

## Midnight Groovers

You just running your body  
all around you feel like you strong  
love just not what you think it is woman you totally wrong  
Running your body with Tom, Dik and Harry  
When You get space you're gonna give it to me  
that kind of puppy love man don't want that  
I'm very sorry girll you won't catch me  
Me root me root (x4)  
Try to think of your love life woman  
and stop running round  
changing man just like money changing hand is abomination  
Loving for money that is no kind of love  
This kind of love is just for prostitute  
Im a rastaman I can't take that  
So that is why i have to fly so fast  
Me roots me roots (x4)  
You just running your body  
all around you feel like you strong  
love just not what you think it is woman you totally wrong  
Running your body with Tom, Dik and Harry  
When You get space you're gonna give it to me  
that kind of puppy love man don't want that  
I'm very sorry girll you won't catch me  
Me root me root (x4)  
Then you make love to Tom and then you make love to Dik  
You make love to Harry. Then you make love to paul  
You make love to philip  
Then you make love to My mclean  
You think it's joke girl  
Me roots me roots (x8)  
Yeah you make love to Firehead  
You make love to Pencho  
You make love to paul and then you make love to Tookie You make love to Butcher  
And then you make love to papa Thread  
Hey hey hey  
Yeah you make love to Travi then you make love to Jam  
You make love to Harry then you make love to
