

On the Road Again

Me First and The Gimme Gimmes

Woah, all I want is on the road again
Just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road againOn the road again
Just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road againOn the road again
Like a band of gypsies we go down the highway
We're the best of friends
Insisting that the world be runnin' our wayAnd our way is on the road again
Just can't wait to get on the road again
The life I love is makin' music for my friends
And I can't wait to get on the road againAnd on the road again
Like a band of gypsies we go down the highway
We're the best of friends
Insisting that the world be runnin' our wayAnd our way is on the road again
I can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road againI can't wait to get on the road again
I can't wait to get on the road
