Trust vs. Heart

Evidence One

Day after day, a sunset away, the sunshine
In your eyes, your empty eyesAll I know, all I hadNight after night, the hours we spent, the laughter
And the tears, your frozen tearsDay after day, a sunset away, the sunshine
In your eyes, your empty eyesNight after night, the hours we spent, the laughter
And the tears, your frozen tears
All I know, it's all I had[CHORUS:]
Trust Vs. Heart
I will belong to your dreams
Trust Vs. Heart
Forever the ghost in your dreamsLie after lie, my mind locked away from the feelings
Deep inside, I try to hideAll I know, all I had[CHORUS]Now I run from this pain
It's a lonely, lonely ride
Never trust you again
Forever the ghost in your dreams[CHORUS]Trust - I will belong to your dreams
Trust - forever the ghost in your dreams
Trust, Trust
