

As Long As You Love Me

Caroline Pennell

As long as you love me
We're under pressure,
Seven billion people in the world trying to fit in
Keep it together,
Smile on your face even though
Your heart is frowning
But hey now you know boy
We both know it's a cruel world
But I will take my chances As long as you love me
We could be starving, we could be homeless
We could be broke
As long as you love me
I'll be your platinum, I'll be your silver
I'll be your gold
As long as you love, love, love, you love me oh
As long as you love, love, love, love me I'll be your soldier,
Fighting every second of the day for your dreams, girl
I'll be your Hova
You could be my Destiny's Child on the scene
So don't stress and don't cry
We don't need no wings to fly, just take my hand oh As long as you love me
We could be starving, we could be homeless
We could be broke
As long as you love me
I'll be your platinum, I'll be your silver
I'll be your gold
As long as you love, love, love, you love me oh
As long as you love, and love, you love me
As long as you love, love, love me
As long as you love me, you love me (oh)
As long as you love me
