

# Cross Faded

## O'G3NE

Kiss me 'till I'm drunk  
Love me 'till I'm high  
Show me how it feels to feel alive  
Take me like a drug  
Wasted on you wire  
Kiss me 'till I'm drunk  
oh oh oh oh  
Love me 'till I'm high  
Love me 'till I'm high  
Love me 'till I'm high

Kiss me 'till I'm drunk and love me 'till I'm high'Cause I'm cross faded  
My heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heart  
Oooh  
Kiss me 'till I'm drunk  
Love me 'till I'm high  
Ya we light it up we got the fire  
You're in the smoke inside my lungs  
Bloodshot in my eyes  
Kiss me 'till I'm drunk  
oh oh oh oh  
Love me 'till I'm high  
Love me 'till I'm high  
Love me 'till I'm high

Kiss me 'till I'm drunk and love me 'till I'm high'Cause I'm cross faded  
My heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heart  
Oooh  
Give me all that bad love that good stuff that I like  
You're the only one that can get me this high  
You could be my pilot come take me for a ride  
Give me all that bad loveCross faded my heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heartCross faded my heart's cross faded on you

Cross faded my heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heartCross faded my heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heart's cross faded on you  
Cross faded my heart  
Oooh
