

# Cluster

## Porcelain Raft

My mind is wide open now  
All my worries gone  
What I feel doesn't matter now  
It matters what I choose to hold  
The road while the rain falls  
The reflection of the sun  
Lord if you can hear me now  
I'm burning all the maps  
This is my home now  
Slowly I walked out the door  
The wind is rising through the trees  
Heaven is falling from above  
The road while the rain falls  
The reflection of the sun  
Lord if you can hear me now  
I'm burning all the maps  
Away from the place I was born  
light years away from where I belong
