

Walls

Manic Drive

Cause there's something going down
Whoo!
Cause there's something going down
(Yeah, yeah, yeah, yeah, yeah, yeah, yeah)
We are one but we aren't the same
For a thousand years we've played this game
And the tension rises up
Ya the passions givin' up
So our God reaches to unite
While amongst ourselves we fight
And I'm sick of wasting time
Ya I got something on my mind
So lift your hands, move your feet
Get your, get your self ready
Lift your flags
Hit the streets
And charge
So lift your hands, move your feet
Get your, get your self ready
Lift your flags
Hit the streets
And charge
No you can never stop it from coming
Those against me can take off running
Cause there's something going down,
Yeah these walls are coming down
Cause the truth that has been said
Will unite us once again
Cause there's something going down
Ya these walls are coming down
Can we practice what we preach
And turn these fists into hands that reach
Embrace ourselves with open arms
Turn this hate into loving heart
What comes up must come down
So I'll march towards this town
And undo what has been done
Tear down these bricks and stones one by one
So lift your hands, move your feet

Get your, get your self ready
Lift your flags
Hit the streets
And charge
So lift your hands, move your feet
Get your, get your self ready
Lift your flags
Hit the streets
And charge
No you can never stop it from coming
Those against me can take off running
Cause there's something going down,
Yeah these walls are coming down
Cause the truth that has been said
Will unite us once again
Cause there's something going down
Ya these walls are coming down
No you can never stop it from coming
Those against me can take off running
Cause there's something going down,
Yeah these walls are coming down
Cause the truth that has been said
Will unite us once again
Cause there's something going down
Ya these walls are coming down
You can feel it
You can make some noise
Haha
Cause theres something going down
No you can never stop it from coming
Those against me can take off running
Cause there's something going down,
Yeah these walls are coming down
Cause the truth that has been said
Will unite us once again
Cause there's something going down
Ya these walls are coming down
No you can never stop it from coming
Those against me can take off running
Cause there's something going down,
Yeah these walls are coming down
Cause the truth that has been said
Will unite us once again
Cause there's something going down
Ya these walls are coming down
