

Wonderland

Sounds Like Harmony

I met this cat
and he said "Son, I've got nine lives
and you've got one
so make the best of this you can
cause nothing goes according to plan"

This cat was wise, so I took his advice
It waited for a little sunlight
I've got this feeling that it might work out
Alright

Cause life is a trip and its full of misadventure
The cat in the hat has a panic attack
And he lays with good intentions
I guess you can say that we're all mad here
Life is a trip and it's been a bad year

I met this dog
And he said "Child, You'll outlive me
Seven times
So make the best of this you can
Cause nothing goes according to plan"

This dog was wise, so I took his advice
It waited for a little sunlight
I got this feeling that it might work out
Alright

Cause life is a trip and its full of misadventure
The cat in the hat has a panic attack
And he lays with good intentions
I guess you can say that we're all mad here
Life is a trip and it's been a bad year
