

Sleepy Time Gal

[Dean Martin](#)

Sleepy time gal, you're turning night into days
Sleepy time gal, you've danced the evening away
Before each silvery star fades out of sight
Please give me one little kiss then let us whisper goodnight
It's getting late and dear your pillow's waitin'
Sleepy time gal, when all your dancing is through
Sleepy time gal, I'll find a cottage for you
You'll learn to cook and sew
What's more you'll love it I know
When you're a stay at home
Play at home, 8 o'clock sleepy time gal
It's getting late and dear your pillow's waiting
Sleepy time gal, when all your dancing is through
Sleepy time gal, I'll find a cottage for you
You'll learn to cook and to sew
What's more you'll love it I know
When you're a stay at home
Play at home, 8 o'clock sleepy time gal
