All The Way

Wild Orchid

Can't ya see, you and me
We belong together
I can read it in your eyes
Ooh, ooh baby (baby)
It's Friday night, I'm all alone
You should hurry over
I might let you come inside
And make me go...
CHORUS:
Ooh, ah, oh
Make me say la-de-da-de-day
Make me feel my-my-my
I wanna go all the way, all the way
Ooh, ah, oh
Make me say la-de-da-de-day
Make me feel my-my-my
I wanna go all the way, all the way
Candelight, feelin' right
Got my music playin'
Now I'm gettin' in the mood (ooh, ooh, baby)
(Gettin in the mood, yay)
I got my hand, on the side
Imagining your fingers
Doin' what they like to do
They make me go
CHORUS:
Ooh, ah, oh

Make me say la-de-da-de-day
Make me feel my-my-my
I wanna go all the way, all the way
Ooh, ah, oh
Make me say la-de-da-de-day
Make me feel my-my-my
I wanna go all the way, all the way
(with you, ooh yeah)
Everytime I look at you
I think that I'm in love
And everyday that passes by

You're all I'm thinking of
When I'm lying next to you
I look into your eyes
So glad you're in my life
(ya make me go)
CHORUS (3x):
Ooh, ah, oh
Make me say la-de-da-de-day
Make me feel my-my-my
I wanna go all the way, all the way
Ooh, ah, oh
Make me say la-de-da-de-day
Make me feel my-my-my
I wanna go all the way, all the way
