Advisory - the following lyrics contain explicit language:

To hell with boys creepin' up slowly
Swingin' them shovels 'round
Diggin' up words of pleasure
From evil hollow ground Oh, an' here's one now girl
The devil is in his eye
You'd better start stirring up soil boy
Or hear ever you'll lye Shall whispered to you in the dark
And I think you heard me say
Let's say goodbye like we said hello
In a friendly kind of way Charlie's neat an' Charlie's keen but
David he's a dandy
David he's a nice young man
He feeds the girls on candy Doesn't love me, no
He love me not
Doesn't want me, yeah
He want me rough Whispered to you in the dark
And all that sordid gain
Well, let's say goodbye like we said hello
In a friendly kinda way Yes and what I done, that's my damage
An' what you do is your'n
Y'all got nothin' on me
But I'll take that there crown of scorn
