

# Minute By Minute

## The Doobie Brothers

Hey, don't worry, I've been lied to  
I've been here many times before  
Girl, don't you worry, I know where I stand  
I don't need this love, I don't need your hand  
I know I could turn, blink, and you'd be gone  
Then I must be prepared any time to carry on  
But minute by minute by minute by minute  
I keep holding on  
Oh, minute by minute by minute by minute  
I keep holding on  
You will stay just to watch me, darlin'  
Wilt away on lies from you  
Can't stop the habit of livin' on the run  
Take it all for granted like you're the only one  
Livin' on my own somehow that sounds nice  
You think I'm your fool well, you may just be right  
Cause minute by minute by minute by minute  
I keep holding on  
Oh, minute by minute by minute by minute  
I keep holding on, I keep holding on, oh  
Call my name and I'll be gone  
You'll reach out and I won't be there  
Just my luck you'll realize  
You should spend your life with someone  
You could spend your life with someone  
Minute by minute by minute by minute  
I'll be holding on  
Oh, minute by minute by minute by minute  
I'll be holding on  
Minute by minute by minute by minute  
I'll be holding on  
Oh, minute by minute by minute by minute
