

# Alone Tonight (Matthew Dekay Vocal Mix)

## Above & Beyond

Slipping sideways, silver stars collide  
And fade away just like our love that died  
And there is nowhere in this universe to hide  
From you tonight I've wrestled with angels all my life  
It's always the haloes and the wings that keep you blind  
And if I'd fought with all the strength I held inside  
I wouldn't be out here  
Alone tonight I wouldn't be standing alone tonight.  
I wouldn't be standing alone tonight.  
I wouldn't be standing alone tonight.  
I wouldn't be standing alone tonight. Woaaaaah Alone tonight, just like the western star I'm sinking  
The angels curse me blind with straight and crooked thinking  
Alone tonight, just like the western star I'm sinking  
The angels curse me blind with straight and crooked thinking Slipping sideways, silver stars collide  
And fade away just like our love that died  
And there is nowhere in this universe to hide  
From you tonight I've wrestled with angels all my life  
It's always the haloes and the wings that keep you blind  
And if I'd fought with all the strength I held inside  
I wouldn't be out here  
Alone tonight Woaaaaah...
