

Operator's Manual

Buzzcocks

Operator's manual
Tells me what to do
When emotions blow a fuse
Indicating blueOperator's manual
Tells me what to find
And how to make adjustments when
You tamper with my mindOh operator's manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull throughOperator's manual
On page sixty-three
Tells me what to do when you
Do these things to meOh operator's manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull throughOperator's manual
Tells me what to do
When emotions blow a fuse
And I'm feeling blueOperator's manual
On page sixty-three
Tells me what to do when you
Do these things to meOh operator's manual
I'd just fall apart without you
If only I had a mechanic
Then somehow I know I'd pull through
