

You're My Baby

Teenanger

You're my baby, my baby
You're my sweet, sweet child
 You're my only love
 You're like a baby
 Jumping up and down
 Ooh, like a baby
 I can't put you down
 And when you cry
 I'll pacify you
 Here in my arms
 You're safe and warm
 You're my baby, ooh baby
You're my sweet, sweet child
 You're my only love
 You're my baby, ooh baby
You're my sweet, sweet child
 You're my only love
 You're part of me
 And I'm part of you
 You're living proof
Of my dream come true
 Here in my walls
 I will protect you
 I'll tell you straight up
 Re-educate you in love
 You can trust me
 You can be all you
 Want in front of me
You can pout, you can smile
You don't have to be perfect
 'Cause you're perfect
 The way that you are
 You're my baby, ooh baby
You're my sweet, sweet child
 You're my only love
 You're my baby, ooh baby
You're my sweet, sweet child
 You're my only love
 I'll sing to you

Ooh, my lullaby
I'll sing to you
My sweetest goodbye
I'm your lover
I'm your blanket
You don't have to be afraid
Of the monsters in your closet
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
I'll sing to you, I'll sing to you
It's my lullaby
A sweet kiss goodnight
I'll sing to you
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my only love
You're my only love
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
