

# Motivation

## Sum 41

What's the difference of never knowing at all  
When every step I take is always too small  
Maybe it's just something I can't admit but lately,  
I feel like I don't give a shit Motivation such an aggravation,  
Accusations don't know how to take them  
Inspiration's getting hard to fake it  
Concentration never hard to break it  
Situation never what you want it to be What's the point of never making mistakes  
Self-indulgence is such a hard habit to break  
It's all just a waste of time in the end  
I don't care so why should I even pretend Motivation such an aggravation,  
Accusations don't know how to take them  
Inspiration's getting hard to fake it  
Concentration never hard to break it  
Situation never what you want it Nothing's new, everything's the same.  
It keeps on dragging me down, it's getting kind of lame  
I'm falling further behind, there's nothing to explain  
No matter what you say nothing's gonna change my mind Can't depend on doubt until the end  
It seems like leaving friends has become this years trend  
and though I can't pretend, afraid to be this way  
It's not the same but who's to blame,  
For all those stupid things I never said Motivation such an aggravation,  
Accusations don't know how to take them  
Inspiration's getting hard to fake it  
Concentration never hard to break it Motivation such an aggravation,  
Accusations don't know how to take them  
Inspiration's getting hard to fake it  
Concentration  
Situation never what you want it to be Never what you want it to be.  
Never what you want it to be
