

# Heaven Has No Vacancy

[Lindi Ortega](#)

Oh, I crawled through the clouds on a dark and stormy day  
Found myself passed out on the steps of the pearly gates  
Won't you let me in, won't you open up the door  
Surely there must be some room inside for just one more  
Heaven has no vacancy  
No no So they sent me down to the fiery pits below  
I've been there and back before, oh please don't make me go  
Won't you let me in, don't you leave me all alone  
I am just a lonely soul lookin' for a home  
Heaven has no vacancy  
Heaven has no vacancy  
No no  
If Heaven has no vacancy  
Heaven has no place for me  
Heaven has no place for me  
Heaven has no place for me  
No no Jesus, He don't know me, God ain't answering my prayers  
If they don't let me in, I'll just sit here on the stairs  
Heaven has no vacancy  
Heaven has no vacancy  
No no  
If heaven has no vacancy  
Heaven has no place for me  
Heaven has no place for me  
Heaven has no place  
Heaven has no place for me  
Heaven has no place for me  
No no  
No no  
No no
