Carmen Queasy

Maxim

My vision is distorted by my sleazy mind
Too picturesque an image to control this time
My intimate discriminating fears you test
By ignorance that truly feels it knows me bestYou have the power
But you keep it all to yourself
Your lust is decomposing usThe intricate sincerity is choking me
It's scrambling and crawling all around my feet
In words that jump from line to line and cover me
My credible intelligence evading meYou have the power
But you keep it all to yourself
Your lust is decomposing usSo now you're telling me it's so damn easy
Try to see yourself as Carmen Queasy
'Cos money-making is a wonderful thing
Money-making is a wonderful thingBut I don't wanna be a marketed baby
Try to see yourself as Carmen Queasy
'Cos money-making is a wonderful thing
Money-making is a wonderful thingCarmen Queasy, I don't wanna be
Don't wanna be
Don't wanna be
Don't wanna be
Don't wanna beI'm flinging our some riddims in a cultural scare
Suffocating, still frustrating, like we care
Dissecting all who analyze an empty heart
Just spitting out some old wet dreams and calling it artYou have the vision
But you keep it all to yourself
Your lust is decomposing usSo now you're telling me it's so damn easy
Try to see yourself as Carmen Queasy
'Cos money-making is a wonderful thing
Money-making is a wonderful thingBut I don't wanna be a marketed baby
Try to see yourself as Carmen Queasy, Carmen Queasy
'Cos money-making is a wonderful thing money-making
Money-making is a wonderful thingMoney-making, money-taking
We don't have a choice
But we still have a voiceAntagonist, life is too short
Twist, deform and distort
Impregnate brains enter my seminar
Money-making, music making, failureGot to take back what's mine
Got to take back
Keep choking and holding, provoking

My lifestyle you'll be smokingSo now you're telling me it's so damn easy
Try to see yourself as Carmen Queasy
'Cos money-making is a wonderful thing
Money-making is a wonderful thingBut I don't wanna be a marketed baby
Try to see yourself as Carmen Queasy
'Cos money-making is a wonderful thing
Money-making is a wonderful thingMoney-making is a wonderful thing
Money-making is a wonderful thing
Money-making is a wonderful thing
Money-making is a wonderful thing
