White Sheep

Cheap Sex

Here's Joe Scenester Walking Down The Street
He Is All Image From His Head To His Feet
This Is His Third Trend Of The Year
He Changes Fashion For Whoever Is Near.CHORUS:
I DON'T HAVE TIME FOR YOU TODAY
AND NOBODY CARES WHAT YOU SAY
YOUR TREND WILL LAST ONLY A DAY
I'VE GOT TO GET AWAY FROM YOU!Well Somebody's Gotta Get Me Out Of Here
I Get A Bad Vibe Whenever You Are Near
A Two Faced Punk Always Looking For Friends
Until They Turn Their Back,
And You're Talking Shit Again
Yappin' Your Trap Until Your Face Turns Blue
All You Talk About Is YOU YOU YOU
Telling People You've Been Here And Been There
When Will You Learn That NOBODY Cares.
