Death Panorama

Ambient Death

In that very moment which life doth fade away
Ejected from my human shell exempt from time or space
Floating absorbing omniscient in display
A grandiose presentation unravels before meNot in chronology but so wildly all at once
An open dioramic rendition of events
Some horrible integral just the same
All pieces are key to the sum of the beingA strobe of emotions vivid extreme
The rapturous voyage through life's victories
The man that I once was I have left him behindWhat kind of man does the assembled puzzle read?
With soul spread open wide
I calmly contemplate my destinyDeath panorama
Death panoramaNot in chronology but so wildly all at once
An open dioramic rendition of events
Some horrible integral just the same
All pieces are key to the sum of the beingA strobe of emotions vivid extreme
The rapturous voyage through life's victories
The man that I once was I have left him behind
