Forsaken

Disturbed

I'm over it, you see I'm falling
In the black abyss, clouded by memories
Of the past, at last, I see
I hear it fading, I can't speak itOr else you will dig my grave?
We fear them finding, always winding
Take my hand now, be alive
You see I cannot be forsakenBecause I'm not the only one
We walk amongst you, feeding, raping
Must we hide from everyone? I'm over it
Why can't we be together, erase itSleeping so long, taking off
The mask, at last, I see
I hear it fading, I can't speak itOr else you will dig my grave?
We fear them finding, always winding
Take my hand now, be alive
You see I cannot be forsakenBecause I'm not the only one
We walk amongst you, feeding, raping
Must we hide from everyone?
You see, I cannot be forsakenBecause I'm not the only one
We walk amongst you, feeding, raping
Must we hide from everyone?Everyone, everyone, everyone
