

# Believe

## Justin Bieber

Believe, believe, believe I don't know how I got here  
I knew it wouldn't be easy  
But your faith in me was so clear  
It didn't matter how many times I got knocked on the floor  
But you knew one day I would be standing tall  
Just look at me now 'Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if, if you didn't believe  
Believe There were days when I was just broken, you know  
There were nights when I was doubting myself  
But you kept my heart from foldin'  
It didn't matter how many times I got knocked on the floor  
You knew one day I would be standing tall  
And just look at us now 'Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if, if you didn't believe Where would I be, if you, if you  
If you didn't believe  
Would you know, how it feels  
To touch the sky, if you didn't believe  
Believe, believe, yeah It didn't matter how many times I got knocked on the floor  
You knew one day I would be standing tall  
And just look at us now 'Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me 'Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would I be, if you didn't believe Where would I be, if you  
If you didn't believe  
Would you know, how it feels  
To touch the sky, yeah if you didn't believe  
(Believe, believe) where would I be, if you didn't believe
