

Kissin' You

Total

kissing you is all that i been thinking of
kissing you is oooh oooh

it dont matter who knows
i dont care who sees
me thinking about you makes my life complete
and what i mean by that
is that my whole world changes
you make me feel things that i never felt
i wanna kiss you

(chorus)

kissing you is all that i been thinking of
kissing you is oooh oooh
(repeat once)

when im with my friends
im trying to think about ways
to leave them behind just to get back to you (oh oh)
you're my best kept secret
and thats the way i like it
you're my pride and joy boy
thats why im dreaming of you
i wanna kiss you

kissing you is all that i been thinking of
kissing you is oooh oooh
