

I've Been Waiting for You

David Bowie

(I've been looking, I've been looking)

(I've been looking, I've been looking)

I've been looking

For a woman

To save my life

Not to beg or to borrow

A woman with a feeling

Of loosing once or twice

Who knows how it could be

Be tomorrow I've been waiting for you

And you've been coming to me

For such a long time now

For such a long time now

A woman with a feeling

Of loosing once or twice

Who knows how it could be

Be tomorrow I've been waiting for you

And you've been coming to me

For such a long time now
