Leader

Phantom Planet

There are so many signs, the end is now
Our leader told us so besides
We follow him blind, to and fro
Wherever he decides to goHe speaks, we listen
We'll see his visionHe explained so easily
We are all the missing pieces
Maybe you'll fit right in, too
Ask yourself, it might be trueNow join our hands and come along
The day's about to dawn, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it comingNow we'll put you in our uniform
Everyone will be reborn
Wear us over where your heart is
Your new life with us has startedYou'll speak, he'll listen
We'll see his visionJoin our hands and come along
The day's about to dawn, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it comingSitting on it all alone
We're on a ticking bomb, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it comingYou feel it coming, you feel it coming
You feel it coming, you feel it coming
You feel it comingJoin our hands and come along
The day's about to dawn, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it comingSitting on it all alone
We're on a ticking bomb, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it comingYou feel it coming, you feel it coming
You feel it coming, you feel it coming
