Time's Wastin'

Phil Vassar

We could sit around and talk about the ins and outs
Of why we shouldn't take a chance?
Be so afraid it's gonna rain we sit and miss a sunny day
To avoid the circumstance
There's a million and one reasons we could run
But it's too late for that
Time's wastin', it ain't waitin' for us
I know that we can make it
We can make it with a little luck
Call me crazy that might be, go ahead and laugh at me
But I still believe that dreams come true
So let's forget the past the times we could but didn't dance
It's all come down to me and you
We're right here and right now, baby, there's no doubt
We have what it takes to do it

But time's wastin', it ain't waitin' for us
I know that we can make it
We can make it with a little luck, yeah
Girl, we only have to trust in our love
We've got memories to make for Heaven's sake, baby
Let's not forsake another moment
'Cause time's wastin', it ain't waitin' for us
I know that we can make it
We can make it with a little luck
Time's wastin', it ain't waitin' for us
I know that we can make it
We can make it with a little luck
We can make it, baby
