Zoom

DNCE

Baby, put on your high heels
Run the show and let's just run away
Yeah, I got the plan to kill your blues
And all it's gonna take it you and meI got a full tank, lady, and I'm ready to drive
I got a full tank, baby, just look up at the sky
Don't you back up, back up on all the things
We'll find a place to stay, yeahWoah oh oh oh, hey
You say that you hate it here
So why don't we disappear?
If you want to go to the moon
I'll take you there, baby zoom
Just pick a spot on the map
And I'll get you there and back
If you want to go to the moon
I'll take you there, baby zoomPedal to the
Pedal like the devil, gonna drive you straight to heaven
'Til you're smiling hard
Wishing on a bottle, let your hand just drive the throttle
Like a shooting star, yeahI got a full tank, lady, and I'm ready to drive
I got a full tank, baby, just look up at the sky
Name the time and place and I'll come get you
Don't matter if it's near or far, noWoah oh oh oh, hey
You say that you hate it here
So why don't we disappear?
If you want to go to the moon
I'll take you there, baby zoom
Just pick a spot on the map
And I'll get you there and back
If you want to go to the moon
I'll take you there, baby zoomWhere you're going, I'm going too
Where you're going, I wanna ride with you
Where you going? 'Cause I'm going too
Where you're going, I wanna ride with youWoah oh oh oh, hey
You say that you hate it here
So why don't we disappear?
If you want to go to the moon
I'll take you there, baby zoom
Just pick a spot on the map
And I'll get you there and back

If you want to go to the moon
I'll take you there, baby zoom, yeahWoo, haha
