

# The Bike Song

## Mark Ronson & The Business Intl

I run around town, around round the round with the pedal to the met... The pedal to whatever  
I run around round, around round the town with the pedal to the met... The pedal to whatever  
Shooting round the city bends I hear the conversation in my head.  
Thinking of the place to be, I sing a little melody instead.  
I won't argue with myself, today my legs are getting some hell  
My mother tells me I should stop go and get a  
real job  
That can't be the way that I roll  
Everybody's growing up, having kids and paying rent and I'm getting count of it all.  
I'm gonna ride my bike  
until I get home.  
Gonna ride my bike until I get home. Thinking of the girl I met, a phone call that I haven't made yet.  
All the things I've done this week, and all the things I should have done instead.  
I sweep the pavements and the parks; I hope that I get home before it's dark.  
My mother tells me I should stop  
go and get a real job  
That can't be the way that I roll  
Everybody's growing up, having kids and paying rent and I'm getting count of it all.  
I'm gonna ride my bike until I get home.  
Gonna ride my bike until I get home. I can't understand it, but I can't really stand them  
Girls love cars, cars cause harm to the planet  
Don't you wanna take a joyride on my tandem.  
(Heartbeat and a Heartbeat?) Don't I look so handsome.  
Bikes suffice they're so nice like priceless  
Working on my calves to triceps to biceps  
Bypass the gas, stop the traffic lights  
I get around round without a drivers license  
Hello (Hi) you walking? (No) Farewell, (oh) I'm off then  
And I whip it through the city with a 40 and a 50  
Party popping on my Willy.  
My mother tells me I should stop go and get a real job  
That can't be the way that I roll  
Everybody's growing up, having kids and paying rent and I'm getting count of it aaaaalllll.  
I'm gonna ride my  
bike until I get home.  
Gonna ride my bike until I get home. (Hi) (Hello) (Oh)  
And I whip it through the city with a 40 and a 50  
Party popping on my Willy. (That can't be the way that...)  
I ride my bike til I get home.  
(That can't be the way that...)  
Ride my bike until I get home. Until I get home  
I ride my bike... to take your bike  
I'm gonna steal your bike, I have my own bike.  
I'm gonna take it so far
