

# That's All I Need

## Magic Sam

When i first met you  
You looked so fine  
I said then baby, yes I did now  
I'm gonna make you mine Just give me love  
Oh, give me love, love, love  
That's all I need  
That's all I need I got a new home  
I've got a brand new car  
I can come baby, yes I can now  
Where ever you are Just give me love  
Oh, give me love, love, love  
That's all I need  
That's all I need I got a new home  
and a brand new car  
I can come baby, yes I can now  
Wherever you are Just give me love  
Oh, give me love, love, love  
That's all I need  
That's all I need You can go out  
and have a good time  
But don't cry baby, no, no, no  
When I have mine Just give me love  
Oh, give me love, love, love  
That's all I need  
That's all I need I've got the money  
If you've got the time  
You can have it all baby, yes you can now  
If you would be mine Just give me love  
Oh, give me love, love , love  
That's all I need  
That's all I need I feel alright  
I feel alright  
I feel alright, yes I do  
need your love  
Oh, oh baby  
Oh, oh baby  
Oh, oh baby  
Oh, oh baby  
Oh, oh, oh(break) I got a new home

got a brand new car  
I can drive baby, yeah, yeah  
Where ever you are Just give me love  
Oh, give me love, love , love  
That's all I need  
That's all I need That's all I need child  
That's all I need  
That's all I need, yes it is now  
That's all I need I feel alright  
I feel alright  
I feel alright, yeah  
I feel so fine  
I'm gonna make you mine  
I'm gonna make you mine  
I'm gonna make you mine, yeah  
I'm gonna make you mine Whoa, oh baby  
Oh, oh yeah  
Oh, oh yeah
