

Did You See Me Coming? (Unicorn Kid Mix)

Pet Shop Boys

Did you see me coming?
Was I that obvious?
For all of a sudden
There were just two of us You don't have to be in "Who's Who" to know what's what
You don't have to be a high-flyer to catch your slot
The night we met was cold and wet
I needed a drink or two
I saw you standing there and I knew
I'd love to be loved by you Did you see me coming?
Was I that obvious?
For all of a sudden
There were just two of us You don't have to be what's what to know who's who
You don't need the DNA to find the proof
Then and there my life made sense
You were the evidence Did you see me coming?
Was I that obvious?
For all of a sudden
There were just two of us
Did you see me coming?
I thought I'd have to make
All of the running
I was all yours to take Am I superstitious or really religious
Just "to thyself be true"
But now I think I'm starting to believe in fate
Because it delivered you Did you see me coming?
Was I that obvious?
For all of a sudden
There were just two of us
Did you see me coming?
I thought I'd have to make
All of the running
I was all yours to take
