

Lorena

Bob Schneider

Theyre gonna put you out in the streets, Lorena
Theyre gonna dance upon your grave
Theyre gonna lock up your heart and throw away the key
So you better watch out honey how you behave Now you can run around forever
Inside that big ole head of yours
But your gonna find the answers arent easy
But you aint ever gonna know for sure Theyre gonna put you out in the streets, Lorena
One day theyre gonna come after you
Theyre gonna tie you right down to the table
Theyre gonna make all your nightmares come true 'Cause you cant get away with nothing
Your conscience gonna give you away
You cant play with fire forever
Yeah and not get burnt they say Theyre gonna put you out in the streets, Lorena
Those demons you keep locked away
All them shiny skeletons in your closet
Gonna break free and get you one day Oh and Id like to be there when it happens
Oh, Ive got my own demons too you know
Oh, Id like to be their baby
'Cause mine got me a long time ago Theyre gonna put you out in the streets Lorena
Theyre gonna sing and dance upon your grave
Theyre gonna lock up your heart and throw away the key
You better watch it believe you me Lorena, believe me, Lorena
For leaving me, Lorena
