

Satellites (live version)

September

Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites Well, they said it was time for changing
Rise and shine
Everybody's making it, but you
And they told you to trust your dreaming
But it's hard to believe a feeling
That you just don't know Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites You can try and walk on water
In the end everybody
Walks all over you
No, you don't like the sight of mirrors
Cause you're scared that the face
Will see, will look just like before Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites All I want is you
Let me take you back
Where you once belong
All I want is you
It will be alright if you come along
You were never gone Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning

For satellites Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
