

# In Chains

[Zeom, Komarovski](#)

The way you move  
Has got me yearning  
The way you move  
Has left me burning I know you know what you're doing to me  
I know my hands will never be free  
I know what it's like to be in chains The way you move  
Is meant to haunt me  
The way you move  
To tempt and taunt me I know you knew on the day you were born  
I know somehow I should've been warned  
I know I walk every midnight to dawn in chains In chains, I'm in chains  
In chains, I'm in chains You've got me dying for you  
It's you that I'm living through  
You've got me praying to you  
Saying to you anything you want me to You've got me reaching for you  
My soul's beseeching me too  
You've got me singing to you  
Bringing to you anything you ask me to The way you move  
Is mesmerizing  
The way you move  
Is hypnotizing I know I crumble when you are around  
Start to mumble a bit of a false sound  
Straggle, stumble, shackled and bound in chains In chains, I'm in chains  
In chains, I'm in chains You've got me dying for you  
It's you that I'm living through  
You've got me praying to you  
Saying to you anything you want me to You've got me reaching for you  
My soul's beseeching me too  
You've got me singing to you  
Bringing to you anything you ask me to I'm in chains  
In chains, I'm in chains  
In chains, I'm in chains  
In chains, I'm in chains
