Heeding the Call

HammerFall

A flash in the night, a journey through time
The templars are back on the streets
Guarded by prowess and the will to survive
All led by the guiding lightAngels of mercy
Guardians of time
Shackled and chained through the eternal flame
The hammer will slowly ariseHeeding the call, one and for all
Never surrender, with glory we'll fall
Brothers unite, let's stand up and fight
Fulfilling our fate, we are heeding the callOne step ahead, revealing the past
United together we stand
The call of the thunder, the sign to begin
This final crusade we will winAngels of mercy
Our journey must proceed
With hearts all filled up with chivalry
The lifeblood that we all needHeeding the call, one and for all
Never surrender, with glory we'll fall
Brothers unite, let's stand up and fight
Fulfilling our fate, we are heeding the callHeeding the call, one and for all
Never surrender, with glory we'll fall
Brothers unite, let's stand up and fight
Fulfilling our fate, we are heeding the callHeeding the call, one and for all
Never surrender, with glory we'll fall
Brothers unite, let's stand up and fight
Fulfilling our fate, we are heeding the call
