

# Out of My Head

## Lupe Fiasco

Girl I want you to know (whoo)  
I can't get you out of my head  
My head my head (naw) Girl I want you to know  
I don't even know what you did  
You did you did  
But I love it Uh uh  
Everything hooks  
Everything works, you're a real good course  
I'm a real good verse, freestyle unrehearsed  
So clean no curse  
And when the song's gone man everything hurts  
So I put it in reverse  
Go back to the scene where I seen you first  
Yeah, I need you to sing that single again  
Play that video I seen you up in  
A hundred million spins in my mind all day  
Call in and request on the line always  
Yeah, the president of your fan club  
Leave them players all behind like a bad love Girl I want you to know  
I can't get you out of my head  
My head my head (I can't get you out now) Girl I want you to know  
I don't even know what you did  
You did you did  
But I love it (Wait) Playa need a minute  
Like a time out in tennis 'for I finish  
How'd I get in this  
Maybe 'was your hair, maybe 'was your flair  
Maybe it's the heels and the way you wear  
Maybe it's your real and the way you care  
You don't care if I'm ill or a millionaire  
The only thing that matters that the feeling's there  
Your smile is so bright it's like a grills in there  
High off life, don't need a pill in there (nah)  
You're killing me, I think I need a will in here  
Got me feeling real skills impaired  
Hard to describe why you're still in here Girl I want you to know  
I can't get you out of my head  
My head my head Girl I want you to know  
I don't even know what you did

You did you did  
But I love it (but I love it)Don't care what nobody say  
'Cause I like it girl  
Might go crazy try'na figure this out love (but I like it girl)  
Don't even know why I feel this way  
Cause I like it girl  
Caught up in something that I can't get out of (but we like it girl)Girl I want you to know  
I can't get you out of my head (I can't get you out no)  
My head my head (said I can't get you out no)Girl I want you to know  
I don't even know what you did  
You did you did (you did you did you did)  
But I love itGirl I want you to know (I want you to know)  
I can't get you out of my head (Lupe)  
My head my head (Trey)  
I want you to know (yeah)Girl I want you to know (oh oh oh)  
I don't even know what you did (just making sure)  
You did you did (I don't even know)  
But I love it(Lupe)  
I can't get you out of my head (Trey)  
My head
