Baby No More

Cheap Trick

Don't wanna be your baby no more
Don't wanna be your baby no more
'Cause I work so hard to get this far
Then one day I hear you say hey
Don't wanna be your baby no more
You buy a nickel, you drop a dime
Too much of nothin' every single time
It's no surprise I've heard it all before
I don't wanna be your baby no more
Don't wanna be your slave no more
I'll be last dog at your door
'Cause I work so hard to get this far

Don't wanna be your baby no more, no more, no more
Hidin' in the corner shoot, what's goin' on
Trouble down on Main Street, can't get to a phone
Problem after problem, don't know what's the score
I don't wanna be your baby no more
Don't wanna be your baby no more
Don't wanna be your baby no more
Don't wanna be your baby no more
Don't wanna be your baby no more
No more, no more, no more
No more, no more, no more
